**Lone Sorensen** is owner of the International institute teaching Reflex therapies, Temprana Reflex therapy, laser-therapy and anatomy, since 1978.

Lone Sorensen started her first Reflex therapy school in Copenhagen, Denmark and 3 schools in Argentina.

Lone Sorensen is a therapist educated in Reflex therapy, acupuncture, kinesiology, aroma medicine and neurology. Working in Denmark since 1978, then in France, Chile, Germany, Argentina and Cuba.

She lived 10 years of professional experience in Denmark, 13 years in Argentina and then until now in Spain.

Lone Sorensen has developed Facial Reflex-, Neuro- foot Reflex therapy and Temprana Reflex rehabilitation based Reflex therapy, methodologies combining therapies from oriental medicine, acupuncture, the primitive techniques of aborigines and zone therapy with neuroanatomy.

The method Lone Sorensen use are based in different Micro systems with scientific research behind; Dr. Yamamoto (YNSA), Japan, Dr. Castillo Morales, Argentina, Dr. Wong, USA, Dr. Chau, Vietnam, Maria Perez, Argentina, Dr. J. Bossy, France.

Her methods and concepts were approved in the center “Kurhuset” for patients with brain damage in year 2000 in Denmark.

She received three Nobility titles from the O.M.H.S. (Humanity World Organization Pro-Health in Argentina) in March 2001 for her works with reflex therapy in Argentina.

She received an honor title from the World Women Leadership in 2017.

Lone Sorensen led the International schools of Reflex therapy in 21 countries and teach with 33 instructors her patented concept of Reflex therapy in:

**Spain, Denmark, Sweden, Finland, England, Ireland, Poland, Czech Republic, Turkey, Portugal, Holland, Slovenia, Slovakia, Croatia, Bosnia, Hong Kong, Japan, Australia, New Zealand, USA, Canada, Argentina.**
